

What we offer?

Fomo Media specialize in connecting brands with micro-influencers to create impactful and budget-friendly marketing campaigns.

What is a Micro Influencer?

Micro-influencers are individuals with a social media following typically ranging from **10,000** to **100,000**. They have highly engaged audiences within specific niches, making their recommendations trusted and authentic.

Why work with micro influencers?

- More Reality
- Normal Increase
- More Trusted

Our Services

Visits & Unboxing

Influencers experience your brand in person, sharing their authentic journey with their followers for a genuine connection. Products are sent to influencers who create captivating unboxing content, revealing their first impressions and experiences to their audience.
